We would like to personally invite you and any guests to the launch of our newly formed Alliance To End Human Trafficking. The Alliance is a dedicated group of concerned citizens in the United States and Mexico working to end human trafficking and committed to the basic cause of raising awareness, educating and providing solutions to the public. We believe that knowledge is power and collectively we are committed to erasing this horror and human plight. The Alliance will raise awareness through various media platforms, town halls, social events, the creation of a dedicated conference and a march against all forms of human trafficking in Washington, DC, slated for late Spring 2020. We are focused on putting an end to the business of stealing freedom for profit.

Please join us, Members of Congress, dignitaries, survivors, law enforcement and the public to learn more and show your support for the dedicated groups and nonprofits working together to eradicate modern day slavery.

Please contact us at 646-456-0643 should you have any questions.

Thank you.

Warmly,

Lynn Shaw and Blanquita Cullum
